Petworks Veterinary Hospital Receives AAHA Accreditation

[DARTMOUTH, NS] — Petworks Veterinary Hospital of Dartmouth has received accreditation by the American Animal Hospital Association. The evaluation includes a quality assessment review of the hospital's facility, medical equipment, practice methods and pet health care management.

Seven percent of all small animal veterinary practices in Canada have sought and passed accreditation by the American Animal Hospital Association. In order to maintain accredited status, Petworks Veterinary Hospital must continue to be evaluated regularly by the association's consultants.

The American Animal Hospital Association is an international organization of 6,000 companion animal veterinary care teams. Established in 1933, AAHA is the only organization that accredits veterinary practices throughout the U.S. and Canada. More than 3,200 AAHA-accredited practices pass regular reviews of AAHA's stringent accreditation process that covers patient care, client service and medical protocols. For more information about AAHA, please visit www.HealthyPet.com.

Petworks Veterinary Hospital, located at 850 Portland Street in Dartmouth, NS, can be reached at (902)435-2444
